GLOBAL STONE PROJECT: HERTZOG BOULEVARD, CAPE TOWN: MR W VON SCHWARZENVELD: YOUR MEMORANDUM DATED 2003-06-04

1. The abovementioned proposal was re-tabled at the Inter Branch Property Liaison Team meeting on 2003-07-18 and I regret to advise that after due consideration, the Team resolved that it not be supported as the City has not identified any land for the type of project envisaged by the applicant.
2. The Team further resolved that Mr Schwarzenveld is at liberty to explore the possibility of erecting the stone(s) on private land subject to the Zoning Scheme Regulations which may involve departure.
3. Were the project to be undertaken on any suitable alternative City Land, it would be subject to a public participation process with the aim of soliciting input from all relevant stakeholders.
4. Kindly inform Mr Schwarzenveld accordingly please.
